ALFABOX

La scatola delle meraviglie per **RIPORRE**
e **PROTEGGERE** tutto quello che vuoi
*/ The box of wonders TO PLACE and PROTECT
everything you want.*

Un programma di contenitori pass-partout, assolutamente versatili e totalmente fuori dagli schemi, ideali per qualsiasi ambiente.

Containers pass-partout program, absolutely versatile and totally unconventional. Ideal for every space.

PROTAGONISTI D'ARREDO ORIGINALI E CREATIVI, SONO DECORATI E PERSONALIZZATI AL MASSIMO LIVELLO NEL PIÙ CARATTERISTICO E RICONOSCIBILE STILE DE ROSSO.

ORIGINAL AND CREATIVE FURNISHING ACTORS, WHICH ARE DECORATED AND PERSONALIZED AT THE DISTINCTIVE AND HIGHEST LEVEL OF DE ROSSO'S STYLE.

ALFABOX gestisce il contenimento avvalendosi di ante, cassetti e cassettoni estraibili, con elementi a componibilità orizzontale, appoggiati a terra, su piedi o ruote, oppure sospesi a parete. Grazie alla finitura bifacciale gli elementi appoggiati possono trovare un'importante collocazione anche a centro stanza.

ALFABOX manages containment using doors, drawers and pull-out big drawers with horizontal modularity elements placed on the floor with feet and wheels or suspended on the walls. Thanks to the bifacial finishing, they can be placed in the center of the room too.
